INVITATION

The 20th International Conference on Chemical Education (20th ICCE) will be held on 3-8 August 2008, in Mauritius. The Organising Committee would like to invite all academicians, science teachers, and researchers to attend this biennial meeting. The 20th ICCE is sponsored by IUPAC

The Organising Committee has adopted the theme "Chemistry in the ICT Age" in line with the worldwide trend in Science and Technology development. The program will feature a wide variety of plenary, invited and contributed lectures, as well as poster sessions. This conference will provide a platform for participants to share and discuss new ideas, techniques and strategies for involving students in active learning of Chemistry.

There will also be a virtual meeting and a satellite meeting in Nairobi

It will also be an opportunity for participants to visit the island of Mauritius, famous for its sun, sea and sand.

We will also have a virtual conference and satellite meeting in Nairobi.

We look forward to welcoming you in these events.

Ponnadurai Ramasami
Chairman, Organising Committee
