- ◆◆ This is a high-calibre, 2-year extended Masters programme in Economics offered by the University of Mauritius in close collaboration with the African Economic Research Consortium (AERC – website: [www.aercafrica.org](http://www.aercafrica.org)), a public, non-profit making organisation devoted to advanced economic research and training, based in Nairobi, Kenya. Students will spend their first year at the University of Mauritius, where they will take 3 core modules and sit for the examinations (around May 2019). On successful completion of the core modules, students will travel to Nairobi late June 2019 to take 2 elective modules over one semester at the Joint Facility for Electives (JFE), Nairobi. Finally, they will return to the University of Mauritius to prepare their MA thesis during the 4<sup>th</sup> semester.

Please note that due to limited budget, AERC will be able to fund only ten (10) year 2 students to complete the joint facility electives in Nairobi. The ten students (including foreign students) will be selected on the following criteria:

- They have passed all the CORE modules in year 1 at the University of Mauritius;
- Based on their performance in the first year here the CPA will be used as an indicator.

Non sponsored students (including foreigners) will have to self-finance their travel expenses to Nairobi and accommodation costs.
