

CHAPTER 4

CODE OF DISCIPLINE

4.1 Preamble

- (i) All registered students at the University are bound, as long as they remain in attendance, by the University Statutes, Rules and Regulations in force for the time being in so far as they concern students.
- (ii) The Regulations are published in the “General Information to Students” Handbook and copies are available for consultation at the Admissions and Student Records Office, the University Library, the Faculties/ Centres and in the Students’ Union Office.
- (iii) This code regulates disciplinary action arising out of breaches of the University’s General Regulations for students and the Regulations for the conduct of University Examinations and are made under Section 21 (c) of the University of Mauritius Act, 1971.

4.2 Disciplinary Powers

4.2.1 The Senate

Subject to the Act and the Statutes 24(o), the Senate may “take such disciplinary action as it thinks fit against any student who in the opinion of the Senate or of anybody or person authorised to act on its behalf in this respect, has contravened the Regulations or acted in a manner prejudicial to the furtherance of the objects of the University as laid down in the Act or to the maintenance of its efficiency or well-being as an academic community....”. The powers which the Senate may exercise include the power to fine, to exclude from the University, to suspend from membership of the University and to expel permanently from membership of the University.

The Senate has under the provisions of the Act and the Statutes delegated to the Vice-Chancellor (or, in her/his absence, a Pro-Vice-Chancellor) the power to act in any situation which in her/his judgement constitutes an emergency and warrants immediate action. The Vice-Chancellor is empowered to suspend a student from membership of the University pending the determination of disciplinary proceedings by the Senate Discipline Committee which would be convened as soon as possible following such a suspension to consider the case according to this code.

In the absence of the Vice-Chancellor, these powers may be exercised by the Pro-Vice-Chancellor (Academia).
