## **8.5 Plagiarism and Fabrication or Falsification Form**

Each registered student of the University of Mauritius has to sign a plagiarism and fabrication or falsification form within two weeks after the beginning of lectures. The words as written on the form are as follows:

“I have read the University of Mauritius Handbook (“General Information to Students 20.../20...”) and I have understood the section(s) on “Plagiarism and Fabrication or Falsification of Result(s)/ Document(s)”. Notwithstanding the supervision provided to me by the University of Mauritius, I warrant that any alleged act(s) of plagiarism and/or fabrication or falsification of result(s)/ document(s) during my stay as a registered student of the University of Mauritius is entirely my own responsibility and the University of Mauritius and/or its employees shall under no circumstances whatsoever be under any liability of any kind in respect of the aforesaid act(s) of plagiarism and/or fabrication or falsification of result(s)/ document(s)”.

## **8.6 Avoiding Plagiarism (Note to Students)**

Attention of students is drawn to the fact that ‘plagiarism’ is considered as a serious offence in the academic world and that it may cost the student a reduction in his/her class award or in some cases even expulsion from the University.

Coursework, dissertations, projects and essays submitted for assessment must be the student’s own work, unless in the case of group projects/ assignments where a joint effort is expected and is indicated as such.

Therefore students should always:

- (i) state clearly and in the appropriate form where they found the material on which they have based their work;
- (ii) acknowledge the people whose concepts, experiments, or results they have extracted, developed or summarised even if these ideas have been put in their own words; and
- (iii) avoid excessive copying of paragraphs by another author, even when the source is acknowledged.
