Minimum	-	18 credits
Maximum	-	48 credits

7. Assessment

Continuous and Written Assessment of Modules

Each module will be assessed over 100 marks with details as follows (unless otherwise specified):

Assessment will be based on a written examination of 2 to 3-hour duration (normally a paper of 2 hour duration for modules carrying less or equal to three credits, and 3 hour paper for modules carrying six credits) and on continuous assessment done during the semester or year.

Written examinations for all modules, will be carried out at the end of the academic year except

for DE modules and some Semester Modules (unless otherwise stated). Relevant information will be provided to the students prior to delivery of the modules.

The continuous assessment will count for 10-40% of the overall percentage mark of the module, except for a Programme where the structure makes for other specific provision(s).

Continuous assessment may be based on laboratory work, seminars and/or assignments and should include at least 1 class test.

A minimum of at least 30% should be attained in each of continuous assessment and written examination, with an overall total of 40% for a candidate to pass a module.

Special examinations (e.g. class tests) will be arranged at the end of semester 1 or semester 2 for exchange students who have registered only for one semester. In case of yearly modules, credits will be assigned on a pro-rata basis.

8. Submission Deadline for Dissertation

Final copy: To be specified by the Department.

9. Repeat and Termination of Registration

If the CPA of a student is < 40% for an academic year, s/he will have to repeat the entire academic year, and retake modules as and when offered. However, s/he will not be required, if s/he wishes, to retake modules for which **Grade C** or above has been obtained.

Students will be allowed to repeat **only once** over the entire duration of the Programme of Studies.

Registration of a student will be terminated if

- (i) the CPA < 40% at the end of an academic year and the student has already repeated one year of study; or
- (ii) the maximum duration allowed for completion of the Programme of Studies has been exceeded.

10. Modules of Special Nature
