Continuous and Written Assessment of Modules

Each module can be taught in one semester only throughout the two semester (yearly modules)

Each module will be assessed over 100 marks.

Assessment will be based on a written examination of 2 to 3 hours duration (normally a paper of 2 hours duration for modules carrying up to three credits, and 3 hour papers for modules carrying up to six credits) and on continuous assessment done during the semester or year.

Written examination for all modules whether taught in semester 1 or in semester 2 or both, except for MST 2122 (3) will be carried out at the end of the academic

year. Relevant information will be provided to the students prior to delivery of the modules.

The continuous assessment will count for 20 -30% of the overall percentage mark of the module(s), except for a programme where the structure makes for other specific provision(s),

Continuous assessment may be based on laboratory work, seminars and/or assignments and should include at least 1 class test.

For all yearly modules, the compulsory class test will be held at the end of semester 1 of that academic year unless stated otherwise in the programme structure.

Special examination (e.g. class tests) will be arranged at end of semester I or semester 2 for exchange students who have registered only for one semester. In case of yearly modules, credits will be assigned on a pro-rata basis.

An overall total of 40% for combined Continuous Assessment (CA) and Written Examination (WE) components would be required to pass the module, without minimum thresholds within the individual CA and WE components.
