Notice to Bidders

Government e-Procurement System

In line with Government's plan towards a fully-fledged digital society requiring increased use of ICT in public administration, public bodies would, by the end of December 2020, carry out public procurement electronically on the Government e-Procurement System (e- PS). To this effect, the Procurement Policy Office has issued Directive No. 47 - **Mandatory Use of the e-Procurement System** dated 21.08.20 which is posted on the following link:

<https://ppo.govmu.org/Documents/Directives/Directives%202020/Directive%20No%2047.pdf>

To be able to participate online in UoM's bidding exercises on the e-PS, bidders should:

(i) Register at the earliest on the e-PS on: <https://eproc.publicprocurement.govmu.org>.

Training will be provided free of charge by the Procurement Policy Office to registered suppliers.

All registered Bidders will automatically be alerted by email of all online Invitation for Bids issued by the University.
