

10. Entry to 2nd or 3rd Year

- 10.1 On the recommendation of the Board of the Faculty/Centre concerned, the Senate may admit to the Faculty/Centre applicants, who are graduates of other universities or who have taken part of a course for a degree in another university or who possess some other qualifications, directly to 2nd or 3rd year of a Programme. The applicant must however apply and obtain a seat in year one for the Programme. This requirement may be waived for cases where the first year of the Programme of Studies is not offered. Upon obtention of a seat, s/he can then apply for exemption for entry to 2nd or 3rd year within two weeks. However, as per University regulations, not more than 50% of a Programme of Studies could be exempted.
