FUNDAMENTALS OF MACHINE LEARNING AND AI WITH WEB APPLICATION DEVELOPMENT

Course Fees: Rs 8000
Booklet and certificate are included.

Learn Web Development Basics
Introduction to **HTML** and **JavaScript** programming.

Get to know about AI and ML
Fundamentals of **AI** and **Machine Learning** Algorithms.

Create novel applications
Web-Based Machine Learning Applications for **predictions** and **classifications**.

Participants
Graduates from the fields of **Electronic, Electrical, Telecommunications** and **Computer Engineering**, or any other relevant programmes, **Engineers, IT professionals** and **Analysts**.

AI on the Web: Learn, Code, and Create in Just 3 Days (18 Hours)
28, 29 AND 30 MARCH 2024

REGISTRATION DEADLINE:
15 MARCH 2024

- Participants should have been exposed to a programming language.
- An attendance certificate will be provided at the end of the course.
