1. REVIT ARCHITECTURE is a program specifically designed for architecture. It uses the BIM (Building Information Modeling) system to generate and manage data about the designs, providing the user with total freedom when modelling buildings. Using concept design tools, you can design all types of buildings and constructions. **Revit Architecture is a design tool and an excellent coordination tool.**

5. TRAINING

Delivery of the course will be in the form of **lectures, hands-on practicals and mini-project.**

6. WHO SHOULD ATTEND

Anyone interested in **Revit Architecture**: School leavers, Graduates, Architects, Engineers, CAD Technicians, and Land Surveyors.

2. COURSE TIMELINE

DURATION - 3 Months

Time: 08:00 – 11:00

START DATE: 07 JUNE 25

Day: Saturdays

3. CERTIFICATE

Certificate of attendance issued by the **University of Mauritius**.

4. VENUE

University of Mauritius,
Engineering Tower,
Redit.

7. REGISTRATION FEES

Rs. 25,000 per participant.

Special discount to Students

Deadline for Registration: 06 June 2025.

For the application form, please email
Dr. Asish Seeboo at a.seeboo@uom.ac.mu
