

JOONAS INDUSTRIES LTD, PORT LOUIS

is hiring

An ASSISTANT PRODUCTION OFFICER

Joonas Industries Ltd is a well-established furniture manufacturer for over 58 years' experience has been investing in modern Computerised Numerical Controlled (CNC) machines to increase its production efficiency and capacity. This year, we have added two new machines, a Computerised Beam Saw and a Computerised Fiber Laser cutting machine and we are therefore recruiting personal to program these machines as well as do the respective production planning.

We are situated at 1 Velore Street, Port Louis

Duties are as follows: Receive production requests from our sales department, use the respective software to calculate optimal raw material usage and limit wastage, plan production to meet delivery deadlines and for optimal efficiency. Follow-up production process and carry quality control at different stages of production on the factory floor. Inform sales and transport departments of the projected ready date for them to inform their client and plan the delivery of the furniture.

We are currently looking for degree holders in Mechatronics Engineering.

Duration: Full time.

Experience: Knowledge of CAD Software and previous work experience would be an advantage.

Remuneration: Monthly salary Rs.20,000-+ refund of Transport cost

Working Days/ Time: From Monday to Friday- 7:45am to 5:15pm
