

BDO IT Consulting is hiring Data Protection Analysts

BDO IT Consulting was set up in 2016 as a member company of the ubiquitous BDO group of companies. Our key services include IT Strategy & Governance, Project Management, System Integration, Big Data Analytics, IT Assurance and Cyber Security. We help our clients sustain and extend their IT strategies and objectives whilst effectively mitigating the IT risks which may arise. At the foundation, we have a group of young and keen professionals who are continuously groomed so that they can take the lead as they progress in their careers with BDO.

Situated at: Level 5, Essar Building, 10, Frere Felix de Valois Street, Port Louis
