

Maxworks limited was founded in 1977 by late Mr Maxime Lagesse and it is one of the leading engineering contractors in Mauritius.

Our company, located in Les Pailles, specialises in Heavy Metal Fabrication and provides a wide range of Mechanical and Structural Engineering Contracting Services.

It is also involved in the Design, Manufacture, Erection and Commissioning of large metal structures including storage tanks and pipelines.

We offer a wide range of contracting services, from end-to-end erection and installation of all our fabricated products, repairs and maintenance services, to job-specific services such as specialised welding, machining, corrosion protection and testing services.

We are currently looking for degree holders in Mechanical and Mechatronics Engineering (Trainee Site Supervisors)

Duration: Full Time

Experience: (Optional): With or Without experience

Remuneration: Rs 17,000 – Rs 22,000 (Negotiable) + Travelling + Overtime
