

METASIGN CO LTD is hiring a ASSISTANT CIVIL ENGINEER!

MetaSign Co. Ltd, established in 2015, specializes in civil and metal construction. With over 90 skilled professionals and utilizing sub-contractors, they deliver diverse projects efficiently. Known for competitive pricing, quality service, and quick turnaround, MetaSign excels in engineering solutions, including bus shelters, renovations, and infrastructure across Mauritius.

Situated at Vuilemein Road, Quartier Militaire

Duties are as follows:

- Prepare, schedule, coordinate and monitor the assigned engineering projects
- Monitor compliance to applicable codes, practices, QA/QC policies, performance standards and specifications
- Interact daily with the clients to interpret their needs and requirements and represent them in the field
- Perform overall quality control of the work (budget, schedule, plans, personnels performance) and report regularly on project status
- Assign responsibilities and mentor project team
- Cooperate and communicate effectively with project manager and other project participants to provide assistance and technical support
- Organising team members properly for a better overall performance on site.
Assist in preparing effective planning of works.
- Maintaining a timely update of all the officially required paper-works such as Daily Cash-flow.
- Communicating with the management regarding day-to-day works progress on site.
- Inspecting construction sites regularly to identify and eliminate potential safety hazards.
- Analysing blueprints to ensure that construction projects meet design, safety, and budget specifications.
- Recommending changes to construction operations or procedures to increase efficiency.
- Responding to all phone calls and messages from the clients on time.
