

Meru Investment Fund PCC

Ebene, Mauritius

Phone: +230 5702 7171

Email: shahir@merufund.com

Job Title:

- Coder/Trader – Entry-Level

Openings:

- Immediate

Meru Investment Fund PCC:

- A Mauritius-based investment firm looking for technically strong individuals to support and build algorithmic trading systems.
- An exciting opportunity for coders looking to enter the finance and trading world.
- Prior finance experience is *not required* – strong coding skills and analytical thinking are the key qualities sought.

Duties and Tasks:

- Develop and maintain Python-based algorithmic trading strategies
- Conduct data analysis to generate market insights
- Assist in building trading infrastructure and tools

Technical and Academic Requirements:

- Strong background in coding (any discipline)
- Proficient in Python
- Interest in financial markets is a plus but not mandatory
- Recent graduates or final-year students encouraged to apply

Compensation:

- Rs 25,000 per month (negotiable if experience is valuable)
- Opportunity for growth in quantitative trading and finance

Where to Apply:

- To apply, message your CV directly via WhatsApp to: **+230 5702 7171** or mail at: shahir@merufund.com
- For any queries, feel free to reach out via the same number.
