

HUAWEI TECHNOLOGIES (MAURITIUS) CO. LTD is hiring a Assistant Engineer.

Huawei is a leading global provider of information and communications technology (ICT) infrastructure and smart devices. We have 207,000 employees and operate in over 170 countries and regions, serving more than three billion people around the world.

Situated at Huawei Tower 30, Corner Bank Street and Hotel Avenue Cybercity, Ebene 72201 Mauritius

Duties are as follows:

- Routine Maintenance Activities (related to system applications, databases, VM, Cloud and networking).
- Hardware & Software installation, commissioning, debugging and testing of IT / Software projects.
- Provide Technical Support (Troubleshooting) to customer via phone/email/onsite and liaise with Huawei Support team.
- Perform associated project planning and engineering delivery tasks and analysis, as per company process.
- Weekly reporting to immediate supervisor/manager about assigned tasks/work plan.
- First level front line support to the customer to get and exceed customer satisfaction with quality & timely delivery.

Requirements and Qualification:

- Datacom knowledge will be an advantage.
- Proficient with Linux, SQL and Programming Languages.
- Basic networking knowledge.
- Cloud and virtualization knowledge.
- Strong problem solving and analytical skills.
- Quick to adapt and able to work under pressure.
- Good communication skills (both written and oral).
- Well-motivated and able to work with minimum supervision.
- Strong interpersonal skills and ability to work in a team.
- Excellent troubleshooting skills, including the ability to handle difficult situations diplomatically.
- The ability to work to tight time schedules.
- Dynamic and pleasant personality with initiative.
- Very Good work Attitude.

We are currently looking for degree holders in BSc (Hons) Electronics with Computer Science, BSc (Hons) Education Technologies, BSc (Hons) Applied Computing (F/T), BSc (Hons) Information Systems (F/T), BSc (Hons) Software Engineering (F/T)

Duration: (Full time)
