

Standard Bank Join our IT Graduate, Trainee programme

At Standard Bank, we serve large companies (multinational, regional and domestic), governments, parastatals, entrepreneurs and institutional clients across Africa and international markets. Our clients leverage our in-depth sector and regional expertise, our specialist structuring capabilities, and our access to local and global capital markets for advisory, funding and risk management support.

We're looking for:

- Recent graduates with a degree in IT, Computer Science, or related fields.
- Enthusiastic individuals with a passion for technology and innovation.
- Team players who thrive in a collaborative setting.
- Problem solvers with a keen eye for detail.

Innovative
Dive into cutting-edge technology projects that shape the future of banking

Mentorship
Learn from industry experts and receive personalized mentorship to hone your skills.

Collaborative environment
Work alongside passionate professionals in a collaborative and inclusive environment.

Why choose us?

Career growth
With hands-on experience and networking opportunities, you'll be well-prepared for a successful future in IT and banking.
