

Sunergy Ltd a sister company of 361Company and also part of the HV Group is hiring a
Junior Engineer/ Technical Support Engineer!

Sunergy Ltd is a company operating in the solar sector for renewable energy, which supports individuals and businesses in their transition to clean, sustainable and affordable energy. Our services include installation of solar panels, residential solutions, commercial solutions, energy analysis & assessment and maintenance & support.

Our office is situated at St Vincent de Paul Street, Jackaria Lane, Pailles, Mauritius.

Duties are as follows:

- Conduct site surveys and energy audits for residential and commercial solar PV projects.
- Collect and analyze site data, including roof structure, shading, orientation, and energy consumption profiles.
- Prepare feasibility studies, technical proposals, and solar resource assessments using industry software.
- Assist in the design and sizing of grid-tied and hybrid solar PV systems.
- Prepare technical drawings, single-line diagrams, layouts, and equipment schedules.
- Support the preparation of Bills of Materials (BOMs), material lists, and project cost estimates.
- Ensure system designs comply with applicable standards, regulations, and utility requirements.
- Provide on-site supervision and technical support during installation, ensuring quality, safety, and timely project completion.
- Coordinate with installation teams, subcontractors, and suppliers while resolving technical issues during project execution.
- Assist with testing, commissioning, performance verification, and preparation of commissioning reports and handover documentation.
- Maintain accurate project records and support the preparation of technical reports, permit applications, and regulatory submissions.
- Support client interactions through technical presentations, briefings, post-installation assistance, and responses to technical queries.

We are currently looking for degree holders in BEng (Hons) Electrical and Electronic Engineering.

Duration: Full time Employment.

Experience: Not applicable.

Remuneration: Rs.25k to Rs.35k.

Working Days/ Time: From Monday to Friday- 8:30 to 5pm and from 08:30 to 13:00pm on Saturdays.
